Mrs. French explained the full-time mask mandate imposed by the NYS Governor on Friday (Aug. 27). She is hoping to get work that will let us know when we can take masks off i.e. low/moderate/high infection rate. The website has been updated and there is a question and answer section that is updated daily. The new current rules are full-time masks in school but students can take them off outside. Mrs. French would like to go back to masks = movement as soon as we are able. Mrs. French also reports the district is having a hard time getting food delivered, orders must be much larger for companies to deliver, and the menu is subject to change. Mrs. Hill inquired about school drop-off. Mrs. French reports it is the same as last year with drop-offs starting at 7:30 AM K-8 in gym and 9-12 in auditorium.
